

# Guardian Application

North Country Honor Flight ("Honor Flight") recognizes American Veterans for their sacrifices and achievements, flying them to Washington, D.C. to see THEIR memorial at no cost. Top priority is given to WWII and terminally ill veterans from all wars. Honor Flight will be expanding to include Korean and Vietnam Veterans. For Honor Flight to achieve this goal, guardians fly with the Veterans on every flight, providing assistance in every way they can, and helping Veterans have a safe, memorable, and rewarding experience.

Honor Flight would not be successful without the generous support of our guardians. Guardian duties include, but are not limited to: physically assisting the veterans at the airport, during the flight, at the hotel, and

at the memorials. Guardians contribute toward their own travel expenses. **The present cost of the day's activities for a guardian is \$400 payable on or before guardian training. All guardians are required to attend guardian training, which is conducted on Saturday morning, two weeks before the flight, in Keeseville, NY.** *Thank you for your support!*
